RITE-POWER PORTABLE BATTERY POWERED GENERATORS

RITE-POWER Portable Battery Powered Generators

Battery packs for power and light. E.g. one man lift 10 lights for 11hrs to 7000wh 3kva generator replacement

K45 LITE 360 Portable Floodlight

One man lift. 360° and 180° lighting solutions. 'Take the light to the task' versus options for battery or generator power

PRO-LINK Beam Control LED Linkable track light

100m of light and one man lift battery pack. 110V connections for generator or battery.

PRO-LINK Safety Shift LED Linkable track light

Self powered version of the ProLink Beam Control. 12 hour duration or emergency backup.

PRO-LINK Beam Control Plus

High Power 110V 75W PRO-LINK with Beam Control lens.

K21 Gantry Light

Beam Control high power area lighting. 4 units will cover 50 lux minimum over 4 lanes at 50m spacing.

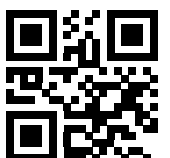

Quad Pod K65 Beam Control Mobile Lighting Tower

New mark 5 beam control Quad Pod. 1460W, more light output than generator road tow towers.
